## Keynote Session with Dr. Nido Qubein

Earn one hour of CE by attending this session.

Thursday: 5:30 – 7 p.m. | No Fee | Event Th401 | GWCC, Sidney Marcus Auditorium

Join us for the official opening ceremony of the Hinman Dental Meeting featuring Dr. Nido Qubein. Doors and cash bar open at 5 p.m. with a musical prelude until 5:30 p.m.

### From Success to Significance

Out of adversity emerges abundance. Difficult times often are filled with opportunities.

Dr. Nido Qubein came to the United States as a teenager with little knowledge of English and only \$50 in his pocket, yet ended up a mega-success story. Today, he is president of a leading university and chairman of a national retail company—and one of the most sought-after leadership speakers. Dr. Qubein delivers an inspiring message on finding focus, balance and meaning in business and in life. You'll leave this presentation entertained and inspired to be impactfully innovative.

#### Marvin C. Goldstein Memorial Lecture

This session is sponsored by the Atlanta chapter of the Alpha Omega International Dental Fraternity in cooperation with the Thomas P. Hinman Dental Meeting. The Fraternity has dedicated this lectureship in memory of Dr. Marvin C. Goldstein.

## Separate not thyself from the community ~Ethics of the Fathers~

### DR. MARVIN C. GOLDSTEIN

Marvin C. Goldstein, D.D.S., F.A.C.D., F.I.C.D. was a product of his heritage and his faith. He was devoted to his profession and to his family—immediate and extended. A man of his community, he gave of himself unstintingly to help make it the best it could be. Marvin's philosophy about doing good things, simply put, was "because it's the right thing to do."

might not be completed, he knew he had to make the effort. But Marvin's greatest passion was people. His community involvement knew no bounds. Civic leaders, regardless of faith, color, gender or political persuasion, turned to him as a man of courage and conviction. It was not only for financial help but also to seek his advice and counsel on subjects ranging from practicality to those of more esoteric nature.

Active in more than 20 dental organizations, he devoted 48 years as a volunteer to the Ben Massell Dental Clinic in Atlanta where he was Chief of Staff Emeritus at the time of his death. He served as President of no less than eight dental, civic, religious or volunteer organizations, was Chairman of the board of ten such activities and participated as a worker in countless other associations. In addition to being a Clinical Professor of Orthodontics at the Medical College of Georgia School of Dental Medicine, he presented more than 200 lectures in the U.S. and abroad and contributed extensively to the literature.

His plethora of activities make the point that one does what one wants to do and that time can be found to participate in total life-cycle experiences. Though realizing that many endeavors

His efforts to assist students trying to enter schools of higher education and the professions are legend. Those concerns were outdone only by the friendship he offered as they traveled the road of life. And, yet, this plate he had been served—so full of doing and giving to and for others—always had special room for his devoted wife and helpmate, Rita, and their five children and their families.

Marvin Goldstein, whom we memorialize now and for the future, was truly "a man for all seasons"—a man for all reasons. Martin Buber, the great philosopher and theologian said, "God made no tools for himself; He needed none, for He created for Himself a partner."

Such a partner was Marvin Goldstein. No more can—or need—be said.

*These Dr. Marvin C. Goldstein Lectures, gifts to the Hinman Dental Meeting, are made possible by donations from members of the Atlanta Chapter of the Alpha Omega International Dental Fraternity, other Alpha Omega Fraters, friends and Dr. Goldstein's family.*

# History of the THOMAS P. HINMAN DENTAL MEETING

The Thomas P. Hinman Dental Meeting is sponsored by the Hinman Dental Society, a non-

profit organization. The first Meeting was held in Dr. Thomas P. Hinman and was considered to be the first clinic strictly for serious-minded educational purposes. The Meeting developed a reputation for devotion to detail and hospitality that continues to grow through the years with every meeting.

Born in 1870, Thomas Hinman graduated from Southern Dental College in Atlanta with his Doctor of Dental Surgery degree in 1891.

The first classes for the Atlanta Midwinter Clinic, later renamed the Thomas P. Hinman Dental Meeting, were initially limited to 40 dentists with strict focus on education. The attendee was honor-bound to return to his state dental society and present what he had learned in a formal program.

Today, the focus is still on providing the best possible education, not only for dentists, but also for the entire dental team. The program addresses the needs of general dentists, specialists, hygienists, assistants, office staff, lab techs and students.

The Hinman Dental Society today is comprised of 830 dentist members, primarily located in metropolitan Atlanta. The membership responsibilities include service during the Meeting each year.

The excess revenue of the Meeting is invested and gifted in the form of scholarships to individuals and in contributions to institutions that foster dental education whether at the undergraduate or post-graduate level. The Society has provided more than \$10 million in total giving.

## Accreditation & Continuing Education Credit

The Thomas P. Hinman Dental Meeting has carefully selected all lecturers, exhibits and exhibitors to present at the 2023 Hinman Dental Meeting. The contents of any particular program, lecture, exhibit or handout are the responsibility of the respective lecturer or exhibitor presenting such material. The Hinman Dental Society does not endorse or approve any materials so presented.

The Hinman Dental Meeting utilizes a computerized accreditation process. Hinman provides one hour of credit for each hour of lecture, unless indicated under the course description. Use your name badge and four-digit completion code to process your CE credit while onsite.

Continuing education credits can be processed and certificates printed during the Meeting:

### 1) Exhibit Hall CE Printing Station
