KEYNOTE SESSION: Mr. Jim Kelly

Thursday, March 21, 5:30 – 7 p.m. | GWCC, Sidney Marcus Auditorium

Join us for the official opening ceremony of the Hinman Dental Meeting! Doors and cash bar open at 5 p.m. with a musical prelude until 5:30 p.m. During the Keynote Session the Clinicians and Keynote Speaker, Mr. Jim Kelly, will be introduced.

Jim Kelly was the quarterback for the Buffalo Bills from 1986-1996. In addition to four Super Bowl appearances (XXV-XXVIII), Jim holds every major Bills passing record and has thrown for more than 35,000 passing yards and 237 touchdowns. He led the bills to four consecutive AFC Championships from 1990-1993 and guided the team to six AFC East Championships between 1988-1995. Jim and the Bills Wide Receiver, Andre Reed, are the third most potent passing duo in NFL history with 65 touchdown connections.

In addition to Jim's football career, he has also become a

popular figure in the world of sports broadcasting. Jim joined ESPN's NFL Countdown pregame show in May 1998. He had previously been an NFL game analyst for NBC Sports during the 1997-1998 season. Bills Sneak Preview with Jim Kelly has aired in Buffalo and Rochester on the NBC affiliates since 1987. Similarly, the Jim Kelly Radio Show has aired each season in the area since 1987.

In 1987, he established the Kelly for Kids Foundation (KFK), which has raised over one million dollars for children's charities in Western New York. Every summer since 1988, Jim and his NFL colleagues have taught leadership, sportsmanship, responsibility and the fundamentals of football to young athletes at the Jim Kelly Football Camp. Jim is also an oral cancer survivor.

Dr. Marvin C. Goldstein Memorial Lecture

This session is sponsored by the Atlanta chapter of the Alpha Omega International Dental Fraternity in cooperation with the Thomas P. Hinman Dental Meeting. The Fraternity has dedicated this lectureship in memory of Dr. Marvin C. Goldstein.

Separate not thyself from the community ~Ethics of the Fathers~

DR. MARVIN C. GOLDSTEIN

Marvin C. Goldstein, D.D.S., F.A.C.D., F.I.C.D. was a product of his heritage and his faith. He was devoted to his profession and to his family—immediate and extended. A man of his community, he gave of himself unstintingly to help make it the best it could be. Marvin’s philosophy about doing good things, simply put, was “because it’s the right thing to do.”

community involvement knew no bounds. Civic leaders, regardless of faith, color, gender or political persuasion, turned to him as a man of courage and conviction. It was not only for financial help but also to seek his advice and counsel on subjects ranging from practicality to those of more esoteric nature.

Active in more than 20 dental organizations, he devoted 48 years as a volunteer to the Ben Massell Dental Clinic in Atlanta where he was Chief of Staff Emeritus at the time of his death. He served as President of no less than eight dental, civic, religious or volunteer organizations, was Chairman of the board of ten such activities and participated as a worker in countless other associations. In addition to being a Clinical Professor of Orthodontics at the Medical College of Georgia School of Dental Medicine, he presented more than 200 lectures in the U.S. and abroad and contributed extensively to the literature.

His plethora of activities make the point that one does what one wants to do and that time can be found to participate in total life-cycle experiences. Though realizing that many endeavors might not be completed, he knew he had to make the effort. But Marvin’s greatest passion was people. His

His efforts to assist students trying to enter schools of higher education and the professions are legend. Those concerns were outdone only by the friendship he offered as they traveled the road of life. And, yet, this plate he had been served—so full of doing and giving to and for others—always had special room for his devoted wife and helpmate, Rita, and their five children and their families.

Marvin Goldstein, whom we memorialize now and for the future, was truly “a man for all seasons”—a man for all reasons. Martin Buber, the great philosopher and theologian said, “God made no tools for himself; He needed none, for He created for Himself a partner.”

Such a partner was Marvin Goldstein. No more can— or need— be said.

These Dr. Marvin C. Goldstein Lectures, gifts to the Hinman Dental Meeting, are made possible by donations from members of the Atlanta Chapter of the Alpha Omega International Dental Fraternity, other Alpha Omega Fraters, friends and Dr. Goldstein’s family.

The Thomas P. Hinman Medallion

The Thomas P. Hinman Medallion is considered to be one of the highest honors bestowed in dentistry. The Medallion is not only an honor to the recipient, but also an honor to the memory of the man for whom it was named.

Julian Harris, the late world-famous sculptor, is responsible for the Medallion being a work of art. Mr. Harris, whose creations are seen in leading museums and in public buildings and squares across the nation, did diligent research before designing the Medallion. The primary motif is the official insignia of dentistry. The Medallion also includes the motto of the Hinman Dental Society, “Magna Est Veritas Et Praevalebit” – “Great is the Truth and It Shall Prevail.”

In 1950, the posthumous awarding of the first Medallion to Dr. Thomas P. Hinman was most fitting. Dr. Hinman was a student, an educator and a private practitioner of international renown. He was also president of the National Dental Association, predecessor of the American Dental Association. His greatest contribution to dental education, however, was the founding of the Mid-Winter Clinic in 1913, now the Thomas P. Hinman Dental Meeting.

History of the THOMAS P. HINMAN DENTAL MEETING

The Thomas P. Hinman Dental Meeting is sponsored by the Hinman Dental Society, a non-profit organization. The first Meeting was held in 1912 by Dr. Thomas P. Hinman and was considered to be the first clinic strictly for serious-minded educational purposes. The Meeting developed a reputation for devotion to detail and hospitality that continues to grow through the years with every meeting.

Born in 1870, Thomas Hinman graduated from Southern Dental College in Atlanta with his Doctor of Dental Surgery degree in 1891.

The first classes for the Atlanta Midwinter Clinic, later renamed the Thomas P. Hinman Dental Meeting, were initially limited to 40 dentists with strict focus on education. The attendee was honor-bound to return to his state dental society and present what he had learned in a formal program.

In 2018, nearly 20,000 dental professionals participated in the 106th Thomas P. Hinman Dental Meeting at the Georgia World Congress Center and Omni Hotel at CNN Center. The exhibits program included representatives from nearly 400 companies occupying more than 800 booths.

Today, the focus is still on providing the best possible education, not only for dentists, but also for the entire dental team. The program addresses the needs of general dentists, specialists, hygienists, assistants, office staff, lab techs and students.

The Hinman Dental Society today is comprised of 850 dentist members, primarily located in metropolitan Atlanta. The membership responsibilities include service during the Meeting each year.

The excess revenue of the Meeting is invested and gifted in the form of scholarships to individuals and in contributions to institutions that foster dental education whether at the undergraduate or post-graduate level. In 2018, the Society provided nearly \$750,000 in total giving.

5th year of dental excellence

For the fifth year, we are presenting speakers and programs for our great partners in dental excellence: our dental lab technicians, and their dentists. Come join some of the finest lab technicians and dentists from around the world as they share the latest techniques for clinical excellence and success by the restorative team. Be sure you bring your associates and colleagues and experience this unique opportunity.

All lectures and demonstrations listed below are included in your registration fee. Lectures will be held in a room at the Georgia World Congress Center. Demonstrations will be held in Booth 201 in the Exhibit Hall. You must pre-register for each lecture and demonstration. Attendees must have these lectures listed on their course summaries in order to enter the course room before the start of each lecture. Attendees must have these demonstrations listed on their course summaries in order to enter the pavilion before the start of each demonstration.

HINMAN CODE OF CONDUCT

As a professional organization, The Hinman Dental Society of Atlanta, Inc. [the “Society”] insists upon maintaining an atmosphere of decorum, courteousness and professionalism. **The Society is dedicated to providing a safe, harassment-free and inclusive experience for all participants at all Society-organized events and has a zero-tolerance policy for harassment of participants in any form.** Participants include but are not limited to Society employees, members, attendees, guests, staff, speakers, sponsors, exhibitors, Advisory Committee members and Executive Council members. A Society-organized event includes business at the Society office as well as The Thomas P. Hinman Dental Meeting and official social events and receptions, the Hinman Annual Meeting and other membership meetings, board meetings, committee meetings and any other event for which attendees are asked to RSVP or register through the Society.

Harassment includes but is not limited to offensive comments or gestures related to gender, gender identity, age, sexual orientation, disability, physical appearance, race, ethnicity or religion. **Harassment also includes but is not limited to** intimidation, bullying, stalking, following, harassing photography or recording, sexual images in public spaces, sustained disruption of presentation or other event, inappropriate physical contact and unwelcome sexual attention. Harassment can occur in real or virtual space, including social media related to a Society-organized event.

If you observe or experience harassing behavior that you believe is in violation of the Code of Conduct, **please report the incident immediately** to the Hinman office at (404) 231-1663 and ask to speak to either the President or the Executive Director regarding an incident of harassment. The Society will take every complaint seriously and investigate each complaint promptly, thoroughly and impartially. All complaints will be handled as confidentially as possible. The Society reserves the right to determine, in its sole discretion, whether any behavior at any Society-organized event is unacceptable and in violation of this Code of Conduct. In the event that it is determined that an individual has violated this Code of Conduct or has otherwise engaged in conduct that is deemed to be improper, prejudicial or detrimental, the Society reserves the right to discipline such individual, including but not limited to (1) removing any such individual from the event or meeting with no refund of any fees paid, (2) barring any individual from attending future Society events or meetings, and/or (3) suspending any such individual’s Society membership or terminating any such individual’s Society membership with no refund of any dues paid, or any other disciplinary action authorized under Article III, Section 8 of the Bylaws.

Dear Fellow Professional,

Welcome to the Thomas P. Hinman Dental Meeting! Allow us to express our gratitude for your attendance this week. With your support, we can continue to fulfill our mission of developing and fostering scientific dentistry and dental education.

When you attend Hinman, you are advancing the profession of dentistry for years to come. As a non-profit association, we continue to provide hundreds of thousands of dollars in scholarships and gifts to dental, hygiene, assisting and lab tech students and to top-notch schools each year.

We are proud to be more than just a dental meeting. Hinman is a place for you as dental professionals to learn not only from our speakers and exhibitors but, also, from each other. And, you are actively participating and investing in the future of our profession.

As we present the 107th Hinman, enriching our profession and preparing to gift more scholarships, we appreciate your support more than ever. We look forward having you with us for many more years.

Jonathan S. Dubin, DMD
