President's Message

The Hinman ... "Best Deal in Dentistry"

Allen French
President

I have often thought over the years as a member of the Hinman Dental Society, "What a great organization!" You pay your yearly dues and "voila" ... you pay **no registration fee** to the Hinman Dental meeting in March. Sure, eight hours of volunteer work are required during that meeting, but if you sign up as a clinic captain, you

receive eight hours of C.E. for **free**. As a volunteer, you receive an invitation to the General Chairman's and President's reception on Thursday night of the meeting. Typically, this occurs at a very nice venue and includes heavy appetizers and an open bar, again, at **no charge**.

Our Hinman Trustees, led by Dr. Charles Ruhl, believe in rewarding our members for their hard work in March. During our three membership continuing education meetings you receive three hours C.E. credit, complimentary drinks and a meal at the Ritz-Carlton for \$50. This event costs Hinman approximately \$120 per member and is subsidized by our trustees to keep your costs down. They even cover the cost of your parking!!

At the end of our Hinman year, we always have a fun annual meeting in great places like this year at Hilton Head, SC. Did you know that your **registration is free** and that **one night of your hotel is free**? Did you know that Friday and Saturday night cocktail hour and dinners and Sunday morning breakfast are **included**? We even have Bingo on Friday night with hundreds of dollars of prizes, mainly for the kids, and a pool party on Saturday afternoon. If you like door prizes, swimming, wave running, golf etc., then this meeting is tailor-made for you and your family. Obviously, this meeting is subsidized by our Trustees. As you probably recognize by now, The Hinman Dental Society is truly the "**Best Deal in Dentistry**."

I would like to take this opportunity to thank you, the members, for all of your hard work. Please volunteer again for our March meeting. If you do not get asked, then call Hinman. There is plenty of work and our General Chairman, Wayne Tadsen, will surely appreciate your support. I would like to thank our trustees for their support of and generosity to our membership. Don't forget our next C.E. meeting on November 17 with our speaker Dr. Terry Tanaka. You will not be disappointed.

Letter from Trustee Chairman Charlie Ruhl to Society President Allen French

Dear Allen,

The Hinman Dental Society Board of Trustees is pleased to support the 2008 — 2009 activities of the Society in the subsidies listed below. The trustees will provide the society two payments: one in the fall to fund the Membership Meetings & General Office subsidies and one in July to fund the Annual Meeting. The trustees will cover the expenses for one hotel night stay (including taxes and resort fees) and the member registration fee for each member who attends the 2009 Annual Meeting. I have already directed the Hinman staff to process the check for the fall subsidy.

Based on the policies of our Board of Trustees, this gift will be reviewed annually per a written request by the Hinman Dental Society.

The members are what make this organization great. We are pleased to be able to offer so many benefits to this outstanding group of individuals.

Charlie

General Chairman's Letter

Plans for Hinman 2009 Are Underway

*Wayne Tadsen
General Chairman*

The plans for Hinman 2009 are now more complete and yet there are many things to finalize. Neal Boortz will be our keynote speaker. He should have some interesting comments about our new president and other topics. Speakers and topics are chosen and publications are well into their final stages. Remember, invitations to the General Chairman and President's party are based on commitment to serve at the meeting.

Many of our members have already volunteered to take part in the meeting, if you have – thank you – if not, please call and offer to help. My committee chairmen are all working diligently to assign people to the required tasks.

The September meeting was well attended and a great presentation was given by Dr. Brucia. I hope you were able to attend. This next meeting will feature Dr. Terry Tanaka and promises to be another great meeting. Please join us for a pleasant evening of learning and socializing.

The help of Drs. Ashendorf and Carpenter is greatly appreciated with the development of this upcoming program. Sylvia and all of the Hinman staff are performing in stellar fashion as always. As many previous meeting chairmen have pointed out, this meeting could not take place without all of their tireless work; let me add my ever-increasing appreciation! Our newest member, Laura Pope, is off to a great start. Say hello when you see her at the meeting!

This is a busy time of year, the Holiday Season is nearly here; I hope everyone has a wonderful end of the year, and I look forward to seeing you in the New Year.

Again, please plan to help at the meeting in March, and do your part (at least eight hours) as a member to continue the excellent tradition we have been entrusted to maintain and build upon. 🌸

Way

MEMBERS!

Registration for the Thomas P. Hinman Dental Meeting opens on December 1. Remember that you do not have to register. Hinman staff will register each member and their spouse as long as your 2009 dues have been received. You are only responsible for registering for courses and special events. Use the "Hinman Members" (category 3) so you are not charged a registration fee. 🌸

Hinman's 2009 General Chairman Has Passion for Motorcycles, Sports Cars and Lots and Lots of Gadgets

BY KIM RYAN

First and foremost, Dr. Wayne Tadsen has a passion for the dental profession as evidenced by more than 30 years of practicing dentistry and serving patients, years of dedication to and involvement in the Hinman Dental Society, and participation in organizations that provide free dental care. But, at the end of day, he loves the open road. Having ridden motorcycles since college and despite getting “a lot of flak from his dental school professors,” he continues to enjoy riding motorcycles and has owned several different models, including a Triumph, Honda 750, Harley Softtail and a Boss Hoss.

Wayne on his Boss Hoss

Motorcycles aren't his only hobby; he also enjoys sports cars. Ever since his first car, a Datsun 280Z, Dr. Tadsen has had an interest in performance vehicles. He even was involved in driving events at Road Atlanta and several other tracks in the late 80s and earned his SCCA driver's “ticket” over a weekend at Roebing Road in Savannah.

Not confined to the open road, Dr. Tadsen is a long-time sailor, having raced Hobie Cats for several years and even skippering yachts as large as an Irwin 54'. He's sailed the Caribbean 12 times — from the U.S. Virgin Islands to the Grenadines — in the past three decades. He says these activities aren't just about the speed, but they “give me satisfaction from excelling in the technique involved and the solitude often found during the experience.”

After 30 years of practicing dentistry, what Dr. Tadsen loves the most about the profession is being able to improve people's health. Of course, the “cool” gadgets also have an allure for him. Most who know him are aware of his interest in all types of gadgets, from computers to dental equipment. They also know he is a devoted grandfather to two granddaughters and loves spending time with them both.

This year, as General Chairman, Dr. Tadsen wants the 2009 Thomas P. Hinman Dental Meeting to take attendees on a journey of lifelong learning. Just as Dr. Thomas P. Hinman believed nearly a century ago, dental education doesn't end with graduation. As the artwork on the front cover of the pre-registration brochure and housing brochure depicts, this year's educational program will take dental professionals from graduation through practice, branching out into the many facets of dentistry. And, if you look very, very closely to the cover,

Standing: Daughter, Cayce, and son-in-law, Spencer. Seated: Wayne, granddaughter, Savannah, holding Charlie, Jackie, and granddaughter, Bayleigh. In front, Tess, another four-legged member of the family, gets a treat from Wayne.

you'll see Dr. Tadsen on his motorcycle.

Dr. Tadsen is a graduate of the Medical College of Georgia. He got his start in dentistry as an associate in private practice. He first became involved with Hinman as an attendee and later volunteered, which then evolved into serving on multiple committees and in all of the executive positions, culminating in the position of General Chairman. For 2009, Dr. Tadsen's mission is to maintain both the excellence in programming and the camaraderie of Hinman members. When it's all said and done, he hopes that Hinman members will enjoy their time at the meeting while they are working hard and that all attendees feel they had a great learning experience at Hinman — one that continues a journey of lifelong learning. 🌸

He also asked that Hinman members identify themselves when visiting exhibitors and thank them for exhibiting.
