New Society Venue Well Received

Brian Carpenter, D.D.S.
President

The September Membership Meeting in our new venue, The Intercontinental Hotel Buckhead, was a huge success. We had a great turnout of 230 members and Dr. Droter delivered an excellent presentation on TMD. Thank you to Trustee Chair Jim Bob Williamson and the Trustees for subsidizing the society to allow such events to take place and thank you to all who played a role in making the Membership Meeting outstanding.

Mark your calendars for the next two meetings: November 15, Dr. Mike Malone will present the lecture, "Functional Esthetics Techniques for a Complete Ceramic Rehabilitation," and January 20, Janice Hurley-Traylor will present "The Power of Choice- Your Professional Image." Program Chairman William Rousseau has an excellent line up for our upcoming meetings and you don't want to miss them.

At the beginning of October, General Chairman Pafford and I attended the ADA meeting in Orlando where we represented Hinman and finalized details with the 2011 speakers. Later in October, I will travel to the University of Tennessee College of Dentistry to attend the Hinman Student research symposium.

As Hinman 2011 draws closer I challenge all of our society members to focus on supporting General

Chairmen Pafford with the next best Hinman ever. I want to again thank you for all the hard work you will do. Dr. Hinman was quoted as saying, "The secret to success is in the details." I ask you to pay attention to the details in your committee assignments. Committee meeting dates will soon be set so please plan to attend, and I look forward to seeing you at your respective meeting. Should you have questions or need an assignment please contact the Hinman office. Speaking of the Hinman office, congratulations to Lynn Leidel and Laura Pope for their recent promotions and welcome to the newest addition to the Hinman Staff, Britney Vollmer. A sincere thank you and best wishes to Kate Meisenheimer and her family in their new endeavors. The Hinman staff is truly remarkable and makes my job easy. I look forward to seeing you on November 15.

AND THE WINNER IS...

Congratulations to **Leon O'Kelley!** He was the winner of a \$50 Buckhead Life gift card for turning in his badge at the conclusion of the September Membership Meeting. His name was randomly selected from all of the badges that were turned in after the meeting.

We also want to congratulate Hinman cash winner, **Rex Whiteman.** The Technical Exhibits committee is encouraging members to visit the exhibit floor and make purchases during the Hinman Meeting by awarding \$100 in Hinman Cash at each of the Membership Meetings. The committee will draw another name at the November Membership Meeting. Be sure to attend for your chance to win!

Letter From Trustee Chairman Dr. James R. Williamson

Dear Brian,

The Hinman Dental Society Board of Trustees is pleased to support the 2010-2011 activities of the Society in the subsidies listed below. The trustees will cover the expenses for one hotel night stay (including taxes and resort fees) and the member registration fee for each member who attends the 2011 Annual Meeting.

Based on the policies of our Board of Trustees, this gift will be reviewed annually per a written request by the Hinman Dental Society.

The members are what make this organization so great. We are pleased to be able to offer so many benefits to this outstanding group of individuals.

Sincerely,
James R. Williamson, D.M.D.

General Chairman's Message

Working Toward The Best Hinman Ever

*Eddie Pafford, D.M.D.
General Chairman*

The planning for the 2011 Hinman is almost complete. My program chairmen, Paul Isler and Bob O'Donnell, have done a superb job of assembling a truly great list of clinicians for the meeting. Once you see our program, I'm sure you can enthusiastically recommend attendance to all your colleagues, and I hope you will do so.

Committee chairmen for 2011 have been selected and are working on their committees. I know all of you will agree to serve when called. If you have not joined a committee, please call the Hinman office for an assignment. All members attending their committee meetings, and working at least eight

hours at the meeting, will receive an invitation to the President and General Chairman's Reception on Thursday evening following the Keynote Session. We have a spectacular evening planned starting with our Keynote speaker, John Stossel. Mr. Stossel is a well known TV commentator who is sure to stir up some interesting discussions. Our reception will be in a new venue this year at 200 Peachtree. This newly renovated building was established in 1927 and was called the "Cathedral of Commerce" in its day. Formally, it was Macy's department store. I believe you will find the true elegance of this building fits well with our Southern Hospitality theme. Don't miss this great evening!

The collective efforts of our staff and our hard working volunteer members are what make our meeting great and the envy of every other dental meeting in the country. Thanks for all you will do for Hinman 2011!!

Eddie

Hinman Welcomes New Member Dentists to Society

The Hinman Dental Society's membership continues to grow. Every year, the Society welcomes a number of new members. These new members range from dentists who have practiced for 10 years or less to dentists who have been in practice for several decades. And, they join the Hinman Dental Society for a number of reasons. Some have known of Hinman since their dental school years and may have even received one of the Society's scholarships. Others have a colleague or acquaintance who has introduced them to Hinman. Some of our newest members share how they first learned of Hinman and what about the Society made them want to join.

Dr. David L. Settel

Dr. Settel worked for a dentist outside of Athens who took him to a Hinman meeting. He said, "I have always admired the dedication to education that the Society stands for. I am proud to be a part of such a wonderful group of people who I admire."

Dr. Amy Cates

Dr. Cates attended the meeting in dental school and recalls the scholarships the Society gave to dental students. She said that Hinman "puts on a great meeting, several friends are members and it's a first-class organization."

Dr. Stephanie West Greene

Dr. West Greene's first contact with Hinman was through her associate and she was nominated by another Hinman member for membership. She said, "The Society seems to be well organized and offers an opportunity to be involved on a personal level. Meeting colleagues and speakers I might otherwise never come in contact with will be very beneficial on a personal level."

Dr. Bhavik Shah

Dr. Shah learned of Hinman during dental school at the University of Florida. He foresees Hinman being beneficial because he says, "Professionally, I get to interact with the quality people that Hinman attracts."

Dr. John J. Sauk

Dr. Sauk is the Dean of the University of Louisville School of Dentistry and he sees value in Hinman, because it introduces his students to organized dentistry. He said, "The Hinman supports continuing education and excellence in dentistry, which we also are dedicated to enrich."

**Functional
Esthetics:
Predictable
Techniques for
a Complete
Ceramic
Rehabilitation**

There are many factors to consider when planning a full mouth reconstruction. This presentation will illustrate systems used by Dr. Malone to accomplish consistent, predictable results, both esthetically and functionally.

After completion of this course the participant will be able to:

- Complete the preparation phase faster and with more control
- Take ideal impressions every time
- Construct provisionals that rival the final restorations
- Complete and cement finished restorations with predictability

Dr. Malone's commitment to excellence in restorative and cosmetic dentistry started early with extensive continuing education with his primary mentors: L. D. Pankey, Pete Dawson, Alvin Fillastre and Mike Schuster. He received a fellowship in the Academy of General Dentistry in 1988 and is a member of the ADA, American Equilibration Society, the Pierre Fauchard Academy and the Pankey Alumni Association. He has been a member of the American Academy of Cosmetic Dentistry since 1988, and was accredited in 1992. In 1995, Dr. Malone was asked to become a member of the Accreditation Board

of Examiners of the American Academy of Cosmetic Dentistry, and went on to become an Appeals Examiner for the ABOE. After serving six years on the Board of Directors of the AACD, Dr. Malone served as President for 2003-04. He is also on the staff of LSU School of Dentistry as an Assistant Clinical Professor in Prosthodontics. He is a published author in leading journals and speaks internationally on cosmetic and restorative dentistry. Dr. Malone maintains a full-time dental practice limited to cosmetic and reconstructive dentistry in Lafayette, LA.
