4. BOOTH & EQUIPMENT SPECIFICATIONS

All booths are a 10' x 10' configuration and can be combined to create larger spaces. Each exhibitor is entitled to a reasonable sight line from the aisle regardless of the size of the exhibit. See Regulations for Booth Set-Up on <https://www.hinman.org/Exhibits/Booth-Information>

For an inline booth, the back drape will be 8' high with 3' high side rails. The side panels of the displays may not exceed 8' in height for more than half the distance forward from the back rail, so as not to block adjoining displays. No solid exhibit construction will be permitted to exceed 4' in height except in the back half of the booth.

Peninsula booths must also allow for line of sight to neighboring exhibits and must be set in accordance with the Regulations for Booth Set-Up on.

Since an island booth is automatically separated the width of an aisle from all neighboring exhibits, full use of the floor space is permitted.

Flooring: Exhibitor must securely cover the entire floor space of exhibitor's booth with either carpet or another floor covering. Concrete floor shall not be exposed.

Booth Height Restrictions: The maximum height for an inline booth 10' x 10' display is 8'. The maximum height for a perimeter booth is 12'. The maximum height for a peninsula booth and an island booth is 20'. These restrictions will be strictly enforced.

Signs: Hanging signs are permitted only for peninsula and island booths. The rigging of the signage must be ordered through the official general service contractor, Freeman. The maximum hanging signage height for island booths is 24' from floor to top of the sign. The maximum hanging signage height for peninsula booths is 20' from floor to top of the sign. Hanging signs for island and peninsula booths must hang from the ceiling and cannot be attached to or supported by the booth structure on the floor.

5. REGISTRATION

No individual will be issued a badge unless that person is an employee of the company in whose name the space is leased or by special permission of the Exhibits Manager. For each 10' x 10' booth purchased, exhibitors will receive ten complimentary personnel badges. Any registrant over the ten personnel limits must pay a \$50.00 charge per person. All exhibitors must register and wear the appropriate badge. Exhibitors must go online to [Hinman Exhibitor Portal](#) to pre-register by February 14, 2025. Badges will be mailed to all exhibitors who pre-register their booth personnel by the March 3, 2025 deadline. Exhibitors may choose to have their badges held for pick-up on site. All late registrants must pick up their badges on site at the Exhibitor Registration Desk beginning on Wednesday, March 19, 2025. ALL GUESTS MUST REGISTER ON SITE AT THE MAIN REGISTRATION DESK AND MUST PAY THE CURRENT GUEST FEE.

6. HOUSING

EventSphere is the only official housing provider for the Meeting. Exhibitors are encouraged to book hotel rooms in the Hinman room blocks, which can be accessed only through the link on the Meeting website or by calling 800-243-1581. **Because the Meeting exhibitor list is available online, exhibitors may receive solicitations from third parties that are not affiliated with or endorsed by Hinman or EventSphere.** Hinman strongly recommends that you always start at Hinman.org to ensure that you are receiving Hinman-approved information and that you closely scrutinize any other website that appears to be related to Hinman. **Housing poachers and pirates are a very real problem in the meeting industry and may result in your paying more for your hotel room or being scammed out of a hotel room or your payment.** Should you be contacted by someone other than EventSphere or should you find a housing website that appears to be connected to Hinman but seems questionable, please report such information by emailing hinman@eventsphere.com or calling 864-208-2467.

7. TERMS OF PAYMENT

Space not paid for in accordance with the dates and terms set forth herein may result in cancellation of booth space, and Hinman will have the right to dispose of the exhibit space and privileges without liability. The balance is due on or before January 16, 2025.

If, at any time, an exhibitor cancels all assigned exhibit space, the exhibitor will forfeit that year’s priority points and any non-exhibiting year’s priority points thereafter. The total loss of priority points for non-exhibiting years will be subtracted from the total at reapplication. Special circumstances will be considered by the Exhibits Manager and the Technical Exhibits Committee.

Cancellation or Postponement of Meeting: In the event the meeting or exhibit hall is cancelled or does not take place for any reason, including but not limited to circumstances that interfere with the ability of Meeting attendees to travel to or around Atlanta, Hinman shall be liable to exhibitor only for a refund of booth rental already paid and shall not, in any event, be liable for any consequential losses, lost profits, travel costs, cost of food and lodging, or any other such losses.

In the event that a portion of the Meeting is cancelled after the Meeting has begun, exhibitor will be refunded only a pro-rata portion of the booth rental already paid based upon the number of days that the Meeting operates compared to the number of days that the Meeting was scheduled to operate. Hinman shall not be liable for any other exhibitor expenses, consequential losses, lost profits, travel costs, cost of food and lodging, or any other such losses or claims including but not limited to any claims related to the cancellation or postponement of the meeting. The exhibitor, on signing this application, expressly releases the Society, the Meeting, and all of their respective members, officers, directors, employees, agents, and representatives from any and all claims for such loss, damage or injury.

8. INDEMNIFICATION AND LIABILITY INSURANCE
