# Heartbeat of Dentistry

Dr. Roy A. McDonald

Remember the late 80's Chevrolet television ad where they touted themselves as "The Heartbeat of America"? I can proudly say that Hinman is The Heartbeat of Dentistry. Dr. Jonathan Dubin's 2019 Hinman program will definitely get the blood flowing.

To keep the Hinman tradition flowing, each member must participate with a committee assignment. The Hinman Dental Meeting is less than three months away, so get ready! Registration for the meeting opened on December 4, 2018. Committee meetings will be scheduled soon, so if you do not have an assignment, be sure to contact the Hinman office. Hinman Membership has many privileges, and committee service at the meeting is expected to maintain membership. I thank you all for your hard work and dedication as we ensure that "The Beat Goes On". Like the heart, each committee member and each attendee will experience autogenic excitation.

My wife, Debbie, and I traveled to Memphis where I had the distinct honor to represent Hinman at the University of Tennessee's 24th annual Hinman Student Research Symposium. We were treated with the same Southern hospitality that our members demonstrate every year during the March Hinman meeting. I presented the Hinman history to the 3rd and 4th year dental students at UT and again to the students participating with the oral and poster presentations. The research students were from all over the United States and Canada. Dr. Mustafa Dabbous and the university are very thankful for our sponsorship. Hinman will also host two of these dental students in Atlanta for the March 2019 Meeting. After meeting the students, reviewing their work and discussing their goals, I am satisfied and excited about the future of dentistry.

I would be remiss if I forgot to thank those who braved the rainy weather to attend the November 12 membership meeting with Dr. Stuart Zola. Dr. Zola kept over 275 of our members entertained and informed on memory and cognitive decline. Also, at the meeting, we were delighted to recognize our military veterans and thank them all for their service. Remember, continuing education reduces vulnerability to cognitive decline.

Hinman members will have one more opportunity to attend a membership meeting this Society year. Our last membership meeting will be Thursday, January 17, 2019 at The Georgia Aquarium. Bring your staff for the evening to hear Dr. Tieraona Low Dog speak about "Life is your Best Medicine".

I want to thank Membership Meeting Chair Dr. Troy Schulman for his leadership and introductions of our speakers this year. He did a great job. I also want to thank Dr. Eric Anderson and the Hospitality Committee for their congeniality and on-time performance.

Our annual meeting will take place at The Pinehurst Resort, June 7-9, 2019. This weekend promises to be a fabulous time for all family members. I and our annual meeting Chair, Andy Ramsey, along with Jackie Sarvis from the Hinman staff, have been working hard, planning events and finalizing details. The annual meeting is one of the many Hinman perks that rewards our membership. Hinman members must fulfill their committee duties to receive the Trustees' subsidy for one night's room credit. Come enjoy the party! This meeting will be an opportune time to meet and mingle with Hinman members in a relaxed atmosphere while taking part in exciting and fun family activities.

Let me echo the words of past President Kate Robinson: "Our society is filled with so many members who are to be respected and admired. You should all feel the same amount of pride as I do about being a member of our great Society and having the opportunity to give back." Well said Kate, and so true!

Our Hinman History Book reveals, "Detailed planning, continuing education and more detailed planning, all enveloped in Southern hospitality, were readily evident when the Fifth District Dental Society opened the doors to the first Atlanta Midwinter clinic in 1912." Now, 107 years later the same attention to detail will be evident as General Chair Jonathan Dubin and all Hinman Members perform our duties March 21-23, 2019.

The Thomas P. Hinman Dental Meeting is the best dental meeting in the country. In the words of Walter Brennan "No Brag, Just Fact".

See you there,

## General Chair's Message

### Let's Do This!

Dr. Jonathan Dubin

The year 2019 is now upon us, and I hope everyone enjoyed a wonderful holiday season with family and friends. Now is the time that my Hinman family and friends join together since we have only a little over two months until showtime. A lot has gone into preparing for the 107th Hinman Dental Meeting, and yet there is still much to do.

Please make sure you are on a committee, which will fulfill your membership obligation of volunteering at our meeting. Each committee meeting will take place soon, so please make sure to RSVP when you receive the electronic meeting notice. Attending your committee meeting will provide you and your guest with an invitation to the General Chair and President's Reception at Mercedes-Benz Stadium after the keynote session. Our keynote speaker is Hall of Fame quarterback and two-time oral cancer survivor, Jim Kelly. If you have any questions, please contact your committee chair or Lynn Leidel at the Hinman office.

The pre-registration book should be in your office, and the online registration has been open since December 4. All Hinman members have automatically been registered, but please make sure that your staff is registered. There are many classes for all registration categories, but many have attendance number limitations, so add courses early!

Dave Lee and Sedgie Newsom have put together a fabulous program covering everything for the doctor, as well as many topics for everyone in your office.

Make sure you tell your lab techs to register. There is a terrific lab program all three days at Hinman this year, offering both lectures and demonstrations. Their registration gives them access to all of our classes and the exhibit hall.

Check out the tracks for hygiene, assistants and the business office. They are an outstanding value, as is all of the Hinman program. If someone in your office needs to master Quickbooks for your practice, Susan Gunn is your answer. There is an Auxiliary Lunch and Learn that showcases exhibiting companies' latest products geared to their needs.

We are offering a Dentist Lunch and Learn on Thursday featuring our exhibiting companies' newest products, technologies and services. The Botox and Dermal Filler three-day class is back. Invisalign has a full day class on the Wednesday before Hinman

officially kicks off, as well as classes Thursday. Our Saturday is loaded with great classes all day. In short, study the program and pick out the best classes for everyone in your office.

Plan now to bring your staff to the January 17 Membership Meeting at the Georgia Aquarium. If your staff enjoys Dr. Tieraona Low Dog's lecture at the January Meeting, they will love her other lectures in March.

Hinman's Night Out should bring smiles to all once again at the Aquarium on Friday night. This year's theme is "At the Movies." Which movie character will you be?

Remember that our exhibitors are integral to our success at Hinman, helping us to continue to give hundreds of thousands of dollars in scholarships each year. So, save your 2019 purchases for the Hinman exhibit floor.

And finally, I want to thank all of you for your work and friendship. The meeting planning started three years ago, and I have genuinely enjoyed working with all the members involved and the Hinman staff (they have no peers) to bring my vision to life. It is truly a labor of love, and we are counting on each and every one of you to make this the Best Hinman Ever!

# November Membership Meeting

President Roy McDonald presents speaker Dr. Stuart Zola with his plaque and honorarium.

2018 General Chair Pat Yancey receives the advisory pin from President Roy McDonald. Dr. Yancey was also recognized for 30 years of Hinman membership.

Our newest members, Drs. Charlene Brown and Daniel West, are joined by Dr. Evis Babo (sponsor) and Dr. William Rousseau (Membership Chair).

This year's membership meeting took place on Veteran's Day. President Roy McDonald recognized all Hinman Veterans for their service. We captured photos of just a few of the veterans in attendance this evening.

## Landmark Membership Presentations

For years, the leadership of the Hinman Dental Society has honored those members who have maintained their membership for 30 years with a commemorative Hinman lapel pin with three garnet stones. The tradition was expanded to include a 40-year marble plaque and a 50-year lapel pin with 5 purple stones, representing the color of dentistry. The significance of these recognitions is to formally thank and give distinction to those who have worked for many years to maintain and enhance the excellent reputation of the Society, as well as the Hinman Dental Meeting.

30-Year Pin Recipients this year included Drs. Clayton Davis, Chris Jernigan, Harry Gentry, Sedgie Newsom, Dan Hodges, Greg Marks, Tom Skafidas, Jim Stevens, Bill Reagin and Barry Vlass (not pictured).

## Hinman Student Research Symposium Celebrates Twenty-Fourth Year

Last year marked the 24th anniversary of the Hinman Student Research Symposium at the University of Tennessee. The event was held November 2-4, 2018 at the historic Peabody Hotel in Memphis, Tennessee. The Hinman Dental Society has been a co-sponsor of the event since its inception.

The Symposium featured oral and poster presentations of research projects by dental students and graduate trainees from dental schools across North America. At this year's Symposium, 108 students represented 56 dental schools in 32 states, Puerto Rico and six provinces of Canada. The Symposium rewards and encourages student efforts in research and supports the research and educational programs of faculty research mentors and research administrators.

The Symposium was also sponsored by the University of Tennessee College of Dentistry. In addition, the Symposium was supported in part by grants from the National Institute for Dental and Craniofacial Research (NIDCR), the ADEA Gies Foundation, the Procter & Gamble Company, the University of Tennessee College of Dentistry Alumni Association and the Tennessee Dental Association Foundation.

Hinman was represented by Dr. Roy McDonald and his wife, Debbie. Dr. McDonald shared with us... "Debbie and I really enjoyed our time in Memphis. All of the students who participated in the symposium were incredibly impressive. It was an honor to represent Hinman. After spending the weekend surrounded by so many bright and hard-working students, I feel confident in the future of dentistry."

*Debbie and Roy McDonald with Dr. Mustafa Dabbous of UT.*

*Dr. McDonald presents a supporting check from the Hinman Dental Society.*

Ten awards were given for the most outstanding student presentations, five in clinical research and five in basic science research, in addition to an award from the National Students Research Group (NSRG) of the AADR.

One of this year's winners was Sherry Kim, a student from the Dental College of Georgia. Two of the winners from the Symposium have been invited to present table clinics at the 2019 Hinman Dental Meeting. Visit the exhibit hall to hear from these extraordinary students!
