

Hinman 2022 Attracts More Than 12,000 Attendees & Exhibitors

Holding its first fully in-person meeting since 2019, the 109th Thomas P. Hinman Dental Meeting, held March 17-19, recorded an attendance of 12,215 dentists, hygienists, assistants, students and other dental professionals and industry personnel. With the theme, “Navigating Dental Disruptions,” Hinman 2022 filled the Georgia World Congress Center and Omni Hotel in Atlanta.

Hinman 2022 featured 245 educational lectures and workshops presented by more than 60 experts in the dental profession, as well as a special Women Dentist Program (pictured above) and new educational tracks for new dentists, hygienists, assistants and dental business office staff. The Exhibit Hall hosted nearly 300 exhibiting companies, showcasing new technology, equipment, products and services for the entire practice. It also featured the Learning Lab Pavilion, Total Health Pavilion, Table Clinics and the Podcast Lounge.

Dr. Kate Robinson, General Chair for Hinman, along with her program chairs, Drs. Jim Roos and Randy Phillips, assembled an outstanding educational program and social events for the Hinman 2022 Meeting. Hinman’s Night Out at the Tabernacle on Friday night attracted more than 1,200 dental professionals and guests. In addition, the Keynote Session was one of the best attended with more than 1,500 people turning out to hear popular comedian Kathleen Madigan, a veteran of the Tonight Show, Letterman and “Comedians in Cars Getting Coffee.”

“We were thrilled to see more than 12,000 people, gathering together again to share valuable human connections and take advantage of everything from exciting new speakers to numerous hands-on courses and fun-filled social and networking events,” said Dr. Robinson. “Following two years of upheaval and adversity, it was wonderful to reconnect with everyone and come together to share best practices and learn from one another.”

Hinman 2022 drew a total of 4,112 dentists, 2,812 dental hygienists, 1,402 dental assistants, 877 office staff and 1,741 exhibitors. Some of the most popular

President's Message

A Successful Year!

Dr. William Rousseau

What a great year! The Braves won the World Series, The University of Georgia won the National Championship and Hinman has returned with a very successful traditional meeting.

Congratulations to General Chair Kate Robinson and Program Chairs Jim Roos and Randy Phillips for such a well-received Meeting. Attendees, speakers and exhibitors were all very excited to be back. Thank you to all of our Society members for volunteering their time. I know we're all busy, but the Hinman Dental Meeting is successful because of the time and energy you devote each year. You give your time and energy to the Hinman cause. Thank you also to the ever fantastic Hinman staff. We couldn't do it without you - you are the best in the business! I know we are all looking forward to the 2023 Meeting from General Chair Roy McDonald and his Program Chairs, Brad Greenway and Troy Schulman.

Our Membership Meetings are complete for the year. Thanks to Michael Leingang for his help with the speakers and to Henry Benson and his Hospitality Committee. At our January Membership Meeting, members and their staff came to hear the always energetic Uche Odiatu. No one sat still for long, and everyone left with some new thoughts on a healthier lifestyle.

The Annual Meeting will be June 3 – 5 at the Grand Hotel in Point Clear, AL. This is our reward for working hard at the March Meeting so take advantage of the Trustees' generosity. Room reservations are already available. Make sure to review the registration information in the back

of this newsletter. Annual Meeting Chair, Kristina Dawson, and Jackie Sarvis have a lot of great events planned for the weekend. I hope you and your family can make it!

It has been an honor and privilege to serve as your President this year. One of the highlights of my year has been traveling to the Yankee Dental Meeting in Boston and the Chicago Mid-Winter Meeting as a representative of Hinman. It is always great to see how much our Meeting is respected and appreciated by our colleagues from other parts of the country.

I look forward to seeing you on Mobile Bay in June.

General Chair's Message

ELEPHANT, ANYONE?

Dr. Kate Robinson

Kate Robinson with Keynote Speaker, Kathleen Madigan.

As I write this message to you, it's been a week since Hinman was over. "It's in the CAN," as our Chicago Midwinter friend and scout, Ted Borris, would say. Admittedly, I'm still basking in the glow of a meeting that far surpassed my expectations and has given us all hope that we are getting back on track for subsequently more normal, pre-pandemic meetings. With overall attendance at 12,215 (61% of our usual, pre-Covid numbers) we are all pleasantly surprised and grateful that Hinman is shaking off the effects of the pandemic years.

Bob O'Donnell deserves much credit for creating a "springboard" for the '22 Meeting. His bold decision to have a hybrid meeting last year helped keep the Hinman Meeting vital in many ways. Hinman was able to save costs by rolling over contracts for the College Football Hall of Fame and Hinman's Night Out that were planned for 2020. I'm grateful to Bob for his vision and generosity in allowing '22 to use his ideas and save money for our Meeting. Bob truly embodies the spirit of Hinman, and he has been a great mentor to me and many others in our Society.

Heartfelt thanks go to our Executive Staff. Our Meeting could not have risen to its current stature if it wasn't for the quiet leadership and dedication of these incredible ladies. They have steadied me and supported me every step of the way and I'll be ever grateful to them. Be sure to give them your thanks the next time you see them.

Robby Robinson, my wonderful husband of almost 40 years, deserves accolades for standing beside me on this journey. He's been an invaluable sounding board and has certainly been made to wear many "hats" over the course of many Hinmans, all for the greater good. He's been my rock and it's been a labor of love for both of us.

Although I am grateful to all our '22 speakers, I want to give a special "shout out" to our very own Hinman members who speak at our meetings. We have quite a few Hinman members who are world-class speakers and generously support our meeting by sharing their talents. What a treasure to have them as our own!

Thank you to all of our members who have worked so hard to ensure that our Meeting retains its reputation for world-class hospitality and education. A huge amount of thanks to all of the Committee Chairs and Hosts that fully immerse themselves in the Meeting and for many months prior. Your enthusiasm for superbly performing your duties does not go unnoticed or unappreciated! It's your dedication to our Society and Meeting goals that provide the framework by which we succeed. You ALL are truly the face of Hinman, no matter how you contribute.

Memories of Hinman '22 that will be forever etched in my memory include the Keynote Session with comedian Kathleen Madigan and the Hinman's Night Out at the Tabernacle. Dave Lee did a superb job as our honorable emcee. President William Rousseau gave the Hinman history with entertaining new twists. It did my soul good to see so many

people laughing at the Keynote and so many people dancing like crazy at the Tabernacle! It really made me realize how much we've all missed each other and the ability to congregate for the past two years. Hopefully, there will be such a buzz and subsequent enthusiasm created by the '22 Meeting, that next year we'll have record-breaking attendance. Spread the word to all of your colleagues that Hinman is not to be missed! It's time to support Dr. Roy McDonald and Team '23 for the next "Best Hinman Ever!"

My Program Chairs, Jim Roos and Randy Phillips, provided invaluable help in constructing our program for '22. These two were the perfect pair for me: they both had the ability to trouble-shoot, kept me from getting lost in various convention centers throughout the country and talked me off many "ledges" over the past four years. Despite many health challenges presented to all three of us, we always had each other's backs and our circumstances have deepened our bonds of friendship. I could not have made the first step without them.

"How am I going to do this?!", I said to my Program Chair, Jim, early on in the game. He calmly replied, "How do you eat an elephant? ... One bite at a time..." So, that's what we did, just like all the GC's ahead of me. And that elephant was yummy...

What a privilege and honor it has been to be General Chair of Hinman 2022! Many heartfelt thanks to each and every one of you. May God bless you all!

Kate

Hinman Honors Retired Executive Director Sylvia Ratchford with Distinguished Service Award

At the Hinman 2022 Keynote Session on March 17, retired Executive Director, Sylvia Ratchford, was honored with the Distinguished Service Award. The Distinguished Service Award is the highest honor the meeting can bestow upon an individual. Its recipient is selected for having achieved national renown for service to his/her chosen profession. Drs. Kate Robinson and William Rousseau presented her with the award for successfully leading the Hinman Dental Meeting and Hinman Dental Society for 25 years. This is the first time Hinman has presented the Distinguished Service Award since 2006.

Sylvia worked in the hospitality industry since her graduation from the University of Georgia in 1976. After several years of work in sales for the Peachtree Plaza, the Inforum and AmericasMart, she accepted the position of Executive Director of the Hinman Dental Society in 1996. During her career, she served on the board of the Atlanta Convention and Visitors Bureau and as President of the Southeastern Chapter of the Professional Convention Management Association.

Under her leadership and during her tenure, Sylvia helped grow the Hinman Dental Meeting to its peak of more than 23,000 attendees and 430+ exhibiting companies, establishing Hinman as one of the nation's leading continuing education dental meetings. She helped elevate Hinman to be consistently one of Atlanta's top 10

professional conferences, contributing an average of nearly \$20 million annually to the local economy. She also led the expansion of the Hinman Dental Society's membership to more than 800 dentists.

Sylvia thanked the Hinman trustees and leadership, Hinman members and staff and everyone at the Keynote for the recognition. "The past 25 years have been a blessing for me both professionally and personally. My hope is that the many relationships I've formed with colleagues and friends, as a result of Hinman and my career in Atlanta, will be lifelong," said Ratchford.
